MEMORANDUM FOR: Mr. Casey
Admiral Inman

SUBJECT : Chief Historian-Designate [redacted] STAT

1. [redacted] STAT phoned me this morning to advise that he is here in Washington through Tuesday, 24 March. He would welcome the opportunity to pay a brief courtesy call on either or both of you (5 minutes). I explained that at a glance your respective calendars offered little sunshine but I would explore.

2. I am arranging for him to meet with Harry Fitzwater re some questions he has on personnel processing.

3. If there are five minutes on your calendar, I'll make arrangements. Believe [redacted] feels a little awkward. Each of you approved his selection but he did not have an opportunity to meet with you during the selection process. STAT
